

Fee Structure 2016-2017

Before enrollment we need the potential trainee to spend at least two days with us so we can assess whether our programme is suitable. There is no trial or application fee but we do require an extensive meeting with the family and paperwork completing prior to the person spending time with us.

In the case your child/family member is attending part time and is also attending another education programme, we need to meet with that school also and be able to have contact on an ongoing basis.

Enrollment Fee – 25,000 baht

This is a one-time non-refundable fee payable on entry to the programme. Any person attending more than 2 days a week must pay the enrollment fee also. Any less than 2 days and the fees is reduced to 12,500 baht.

Programme Fees and Dates

Families enrolling their child/family member full-time understand the programme is a minimum of 1 year long and the programme runs over 46 weeks. If you decide to take your family member out for holiday, these days will not be refunded/deducted.
